# MAINS PEONIES

1959

Nine of the originations of Walter Mains are now available: three albifloras and six herbaceous hybrids. These varities have been growing in his garden for many years; their performance is time-tested. They have done well wherever grown.

Albifloras:

CONSTANCE MOORE . . A dark red, self colored Jap. of medium size. A few laterals give it a long period of bloom making it tops for garden or landscape effect. $3.50

FRANCES MAINS . . An immense light pink double. Late. A great show flower. Stores and keeps exceptionally well. American Home Medal winner at national show. 20.00

MARGARET CLARK . . A large late dark pink of exhibition quality. 5.00

Herbaceous Hybrids:

ANN ZAHLLER . . . A light red with three or four rows of petals and a nice cushion of stamens. Petals crinkled, giving it style and charm. Substance extra good. 7.50

BELLE CENTER . . . Medium red with enough blue to make it different. Very large. Almost full double. Spectacular. 10.00

BUCKEYE BELLE . . . Semi-double of medium size. Unusual brilliance for a very dark one. 10.00

CHARLES MAINS . . . A medium pink of rose-like formation. Full double. Large. American Home Medal winner at national show. Only a few plants in exhistence. 20.00

WALTER MAINS . . . Named for the originator. A large, dark red of true Japanese type. Has a full cushion of red and gold staminodes. No other hybrid like it. Certificate of Merit at national show. 15.00

VULCAN (name tentative) - A brilliant red semi-double of medium size. The plant is a good doer and tall so that flowers can be cut with long stems without injury to plant. First introduced under number 20X, then withdrawn pending buildup of stock which is now in fair supply. Name tentative, depending on availability. 7.50

A discount of 10% will be given on orders amounting to $50.00 or more.
